Office of People with Developmental Disabilities (OPWDD)

OPWDD’s goal is to increase the number of people gaining and retaining employment, earning minimum wage or more, and working in community, integrated jobs.

Referral for all services are through your Care Coordinator.

Pre Employment Services

Site Based Prevocational Services
- Prepare individuals for jobs that pay minimum wage in an integrated setting.
- Provide opportunities to participate in volunteer and vocational community experiences for an extended period of time.
- Include Discovery, job readiness skill development, transportation training, etc.
- Utilize person-centered, employment planning services.

Community Prevocational Services (CPV)
- Occur primarily in community, integrated settings such as volunteer sites, community businesses, etc.
- Are provided in small person-centered groups.
Pathway to Employment Services

Developing a Career and Vocational Plan at the completion of the service.

- Person-centered planning with the individual, family, friends, and support staff to develop a plan of action.
- Learning about the individual’s history, community experiences, interests, skills and preferences to identify vocational strengths, skills, and interests.
- Participating in 3 varied community work experiences.
- Participating in job-related skills training and strengthen work-readiness skills.
- Preparing individuals for competitive employment in jobs that pay minimum wage in an integrated setting.
- Time-limited services are for up to ONE YEAR (may request one extension).

What is the difference between CPV and Pathway to Employment?

Community PreVac

- **Who:** Individuals who need longer term supports to obtain or retain integrated community employment
- **What:** Work-related skills training, Discovery, community volunteer opportunities, planning, benefits planning, annual assessment
- **Where:** Primarily in the community, may use a hub site on limited basis
- **When:** up to 30 hours a week, on-going as supported by annual assessment
- **Why:** To develop skills and experiences to gain or retain integrated community employment which may take more than 1 year.

Pathway to Employment

- **Who:** Individuals who have some work/volunteer experiences and a goal of integrated community employment
- **What:** Planning, Discovery, job-readiness skills, 3 work experiences, travel training, benefits planning, community/vocational Plan
- **Where:** Primarily in the community
- **When:** Typically 5-10 hours a week and wraps around current services, up to 278 hours per year
- **Why:** To create a career/vocational plan to create with a goal of employment in the shorter-term future

SEMP offers on-going supports for individuals to gain and maintain integrated jobs in the community earning at least minimum wage and working alongside of workers without disabilities in the general workforce. It offers individuals an opportunity to participate in the following services:

- Job development (after ACCES-VR or ETP)
- Job coaching
- Employment skills training
- Job retention strategies
- Benefits planning
- Career planning
Employment Training Program (ETP)
The Employment Training Program (ETP) wages are funded through New York State OPWDD and support services are funded by SEMP fees. ETP offers individuals an opportunity to participate in the following services:

- Brief Discovery (unless completed in Pathway)
- PAID internship at a community business that, if successful, leads to being employed by that business.
- Job Coaching
- Job Readiness Training for a time limited period leading to paid employment in an integrated job earning at least minimum wage. After ETP, if employed, the person will continue be supported through Extended SEMP services.
